

# Minutes

## Board meeting

DATE	October 19th
TIME	15:00 PM
MEETING CALLED TO ORDER BY	Gabriel Santos

### IN ATTENDANCE

Gabriel Santos, Guilherme Amaral, Francisco Albergaria, João Gaspar

### TOPIC

- Next iteration
- Report
- Corrections after presentation
- Templates
- Containers
- Front end
- Github
- Doubt clearance
- Architecture discussion
- Team Policy

### BOARD

The members debated and corrected the architecture after notes from the teacher. Gabriel added the template for pull requests. Francisco showed changes made to the prototype. The members corrected the report and got it ready for delivery. Team Policy was added by Guilherme.

### DESCRIPTION

Francisco proposed and showed a new prototype idea, that was reviewed and accepted by the members. Gabriel added ideas to the architecture diagram and corrected the pull request template. João added ideas to the prototype.

Guilherme finished the report.

The containers were debated to get ready for the new iteration.

Guilherme divided the work for the next iteration.

Updated github issues and tasks.
