MEETING CALLED TO ORDER BY

Guilherme Amaral

IN ATTENDANCE

Gabriel Santos, Guilherme Amaral, Francisco Albergaria, João Gaspar

TOPIC

- Pre-sprint preparations and discussion
- Progress overview
- Next iteration

BOARD

Guilherme called this meeting for the group to discuss and prepare for the sprint the very next day. Some ideas were traded about the notification handler between Gaspar and Guilherme.

Gabriel talked about some corrections he made in the project and called attention to the issues. Some doubts were cleared up about some pushes that needed to be made regarding a hotfix.

Progress on cache, admin view, front-end, data generation...

DESCRIPTION

We talked about the deployment of the app.

We talked about the things that need to be presented on the presentation day.

We talked about corrections that needed to be done.

The group worried that he might be a little bit lacking in productivity this iteration, although the number of hours dedicated was close to the same.

TODO

- **Finish the issues! (Until Monday)**
- **Prepare for presentation**
