### BOARD

A meeting has been called to discuss the presentation on the 17<sup>th</sup> of October. The team chose the name proposed by Francisco for the app: “CarBox”. The members of the group worked on the prototype.

### DESCRIPTION

The group revised all the work done until this point, as well as some concepts, technologies and ideas. The team manager confirmed with the architect the technologies that were going to be used and how. Gabriel called for an error in the report. All the members actively participated in the discussions. Francisco and Gabriel worked on the color pallets for the prototype. It was discussed the front-end aspect of the work based on the prototypes.
